Chapter 6 by Intellect

It was an undead ghaster, level 21. With hard nipples.

## Chapter 7 by intellikat

Did they pack a turn undead spell today, or no?

## Chapter 8 by Ian

Inspired by a thought, he reached around the edge of his peripheral vision and... yes he could just about get his arm behind the screen and into the cabling.

The ghaster was getting closer and closer. The sweat began to pour as his fingers inched along the PCB until he found what he wanted; a spring loaded jumper cable.

Squeezing the catch between his thumb and the very tip of his middle finger, at last he pulled the cable loose and - just as the fiend was upon him, he whipped round and attached the spring-loaded clip to the ghaster's left nipple.

"Rrroooaaarrrrrrr. Hisssssssss, gaaaaaaarrrghhh" said the Ghaster. Then, "Ow - that really hurts. Ah shit that's just not funny dude. Jeez that really hurts" and limped away cursing and rubbing his doorknob nipple.

The screen winked out.
